2010 award projects.xlsx

Greetings friends

Hope you are doing well.

I am sending via regular mail, a USB drive with the supporting documentation for the 2010 319 projects in Oregon.

That collection of documents in addition to the 2010 GRTS data provides a good summary of that funding year activities.

I will be adding documents as they are received for this year and newer years as I receive it.

Here is summary table.

Best wishes

Please let me know if I could expand or clarify the information presented.

Ivan

Hi Ivan,

I was just following up on the below request. I still haven't received the final deliverables for grant C9-00045110. Can you please send them to me? I need to close out the file, and send the deliverables to archives. Thanks.

Hi all,

I'm working on some filing in order to get the rest of your 319 grants transferred over to Alan. I see that C9-00045110 has been closed out, but I am not finding final deliverables. **Ex. 6 - Personal Privacy**  
**Ex. 6 - Personal Privacy** I am also not sure what Rick and Martha required from you in the way of final deliverables. I typically ask for a disk with the final reports from the sub-grantees, but I'm not sure what your practice has been. Can you please let me know? I apologize for any confusion over this, due to the project officer turnover. Thanks.
